## FIFTY-FULL

---

The **Fifty-Full** reception counter is a more complete, more modular and more customizable version of the **Fifty-Fifty**, thanks to its different modules. Equipped with high and low modules, this new, modern and functional reception counter is especially well-suited to welcome DDA wheelchair users.

## TECHNICAL DESCRIPTION

- 25 mm thick Structurex® melamine-coated panels. 2 mm thick shock-proof ABS edging.
- 25 mm thick Structurex® facing assembled with elegant 45° mitre cut serving as reception shelf for visitors.
- All worktops and sides are fitted with Ø 80 mm part drilled cable ports for cable management.
- Corner or intermediate modules can be added to the reception counter to adapt to changing requirements (fixing and juxtaposition by brackets and connecting plates), to ensure mobility and ergonomics of use.
- Adjustable screw feet of diameter 25 mm and range 10 mm to compensate for any unevenness in the floor.

(1) DDA = Disability Discrimination Act

## How to adapt your reception counter to your requirements starting from a pre-composed counter ?

For these configurations, you need :

**① Pre-composed counters**

Pages 310 to 314

+

**② Extensions**

Page 315 and 316

+

**③ Infill panel**
