Adaptiv

MODULAR UNITS

Graphic silhouette and colour define the soft, generous volumes of Adaptiv. A family of seating modules that have been designed to work as standalone units or grouped together in clusters. Adaptiv provides a casual touch of comfort along with aesthetically pleasing qualities in an agile workplace. Available in six different forms including circular, eclipse, double eclipse, square, rectangular and wedge, all fitted with protective feet with the option of chromed legs or castors for easy movement.

Please refer to the price and specification guide for all available options.
